# Memorandum

MIAMI-DADE  
COUNTY

Date:

To:

Honorable Chairman Bruno A. Barreiro  
and Members, Board of County Commissioners

From:

George M. Burgess  
County Manager

Subject:

Ordinance pertaining to the zoning regulation of signs and billboards; amending Chapter 33 of the Code of Miami-Dade County, Florida; permitting the placement of mural signs within the City of Miami Downtown Core

---

This ordinance amending Chapter 33 of the Code of Miami-Dade County, pertaining to zoning regulation of signs and billboards, allowing for the placement of mural signs within the City of Miami Downtown Core will not have a fiscal impact on Miami-Dade County within the Department of Planning and Zoning. The impact on Team Metro for enforcement will depend on the amount and nature of complaints received. It should be noted that this situation exists today and enforcement is required.

The ordinance, once implemented will permit non-commercial messages where commercial messages are permitted and will also allow for murals to be included.

*Zones/districts permitting use.* Class C commercial advertising signs shall be permitted in the following zones: (a) In BU-3, IU-1, IU-2 and IU-3 Zones. (b) In BU-1A and BU-2 Zones subject to the following conditions: (1) Cantilever construction. Detached class C signs in these zones must be of cantilever type construction (double-faced sign, both faces of the same size, secured back to back on the same set of vertical supports with no supporting bracing) with a minimum of 5 feet clearance between grade and bottom of board surface. Second face of sign will not be required if the rear of sign is properly and adequately concealed or hidden. (2) Sites for signs. Sites for location of each detached class C sign in these zones must conform to the same minimum lot requirements as to size and frontage as required for erection of commercial buildings, and such sites cannot be improved with buildings or other structures.

In a BU-1A or BU-2 Zone, any class C signs erected on a site shall be immediately removed from such site at the time the first building permit is issued for permanent building to be erected thereon if the sign is within 300 feet of the proposed building.

If a building exists on property, no permits for erection of class C signs thereon shall be issued if the sign is within 300 feet of an existing building.

In addition, unless approved as result of a public hearing, no class C signs shall be erected on any property zoned BU-1A, BU-2, BU-3, IU-1, IU-2 or IU-3 unless the street frontage on the opposite side of the street is zoned commercial or industrial.

*Landscaping requirements.* Landscaping shall be required where appropriate, as determined by the Director.

>>Murals. Notwithstanding the Class C sign limitations contained in this section, mural signs located within the City of Miami Downtown Core shall be permitted, subject to the following conditions:

- (1) Prior to permit issuance, the City of Miami Zoning Administrator shall refer all mural sign permit applications to the Director of the Miami-Dade County Department of Planning and Zoning to determine compliance with this article, including but not limited to Divisions 5 and 6 of this article (Commercial Signs on Expressway Right-of-Way and Commercial Signs on Rapid Transit System Right-of-Way).
- (2) The City of Miami Zoning Administrator shall prepare a statement indicating that the proposed mural sign complies with all applicable City of Miami regulations, and that the applicant has demonstrated that it is not a party to an existing agreement with a municipality purporting to allow the establishment or continuation of a billboard or mural upon payment of fines, penalties or other payments to the municipality, if such billboard or mural is not in compliance with the requirements of this article. Such statement shall be submitted to the Director of the Department of Planning and Zoning, together with the city-approved mural application, related plans, and Miami-Dade County application review fee.
- (3) No more than 25 mural signs shall be permitted at any one time within the entire City of Miami Downtown Core.

- (7) A mural sign shall be permitted to cover the entire blank portion of a wall of a building.
- (8) No more than 2 mural signs shall be placed on any one building, and any two such mural signs shall be placed on opposite walls of the building rather than on adjacent walls.
- (9) Mural signs may be illuminated only in accordance with the provisions of Sections 33-96 and 33-107. Illumination of mural signs shall be limited to the hours of 6 p.m. to midnight.
- (10) No permit for a mural shall be issued less than thirty days from the effective date of this ordinance. In the event that the initial number of requests for mural permits exceeds the maximum number of murals authorized by this ordinance, the City of Miami Zoning Administrator shall determine the award of mural permits by lot which shall be held no later than ninety days from the effective date of this ordinance. <<

*Maintenance.* In addition to the general maintenance requirements for this section, the owner and/or the erector of the sign shall be responsible for maintaining ~~[[the]]~~ >>any<< landscaping >>required by this article<< and the signs concerned in good condition and appearance>>.<< ~~[[and]]~~ >>Ground mounted Class C sign sites<< ~~[[the site]]~~ >>shall be maintained<< free from trash or debris. Failure to do so shall constitute cause for cancellation of the permit and removal of the sign, if owner and/or erector fails to
